Open Daily for joyful  
exploration!

Community service has been my solution to the economic challenges of late. As President of Discover Danville, head cheerleader for Danville's shop local campaign and now Chamber Board member, I have always volunteered for raffles, Installation and Art Faire committees as well as countless special projects that create the "link" all of our businesses need to the public.

## Chairman's Column

Embrace the Opportunities

So a Woman walked into THAT BAR...Well I did but before I did I need to start at the beginning...

It was a beautiful chilly Saturday morning. Matt and I donned our walking shoes and headed out the door, down "heartbreak hill", 1.5 miles into town. A diversion into the new FRESH N EASY shopping center to check out the new SHERWIN WILLIAMS paint store. We were greeted immediately and by the time we walked out had picked out paint for our guest bathroom to be picked up later (keep in mind we are walking!) and all at a 40% discount! With smiles on our faces we headed down Diablo Road with thoughts of lattes again landed at STARBUCK'S for that caffeine fix. Our destination now was the FARMER'S MARKET but not before a quick stop into COTTAGE JEWEL.

## President's Remarks

It is such a pleasure to be back at the Danville Area Chamber of Commerce, having served as the Executive Director about ten years ago. I owe a debt of gratitude to Melony Newman for the success of today's Chamber. It was very easy to come back and pick up where she left off.
